Social Determinants of Health Annotated Bibliography

CURRICULUM RESOURCES

https://unnaturalcauses.org/ NACCHO (National Association of County and City Health Officials) website discussing SDH with video clips and curriculum including activities and a discussion guide. PBS broadcast 4 hr. video series produced by California Newsreel. 2008.

National Collaboration for Education to Address Social Determinants of Health https://sdoheducation.org/about/ Extensive website with rich resources and educational tools on SDH. NCEAS newsletter [mailto:contact@sdoheducation.org]

GENERAL

ACOG and ACGME

Basic background terminology

Disabled patients

Immigrant Women

ACOG Committee Opinion #576, Health Care for Homeless Women, October 2013.

Immigrant Women

ACOG Committee Opinion #627, Health Care for Unauthorized Immigrants, March 2015.

Centers for Medicare and Medicaid Services (CMS) slide deck, Eligibility for Non-Citizens in Medicaid and CHIP, November 2014. Details the eligibility criteria for Medicaid and CHIP for authorized immigrants (green card holders) and who may be exempt from the 5-year waiting period for benefits.
CMS Memo regarding Medicaid and CHIP Coverage of “Lawfully Residing” children and pregnant women. Addresses same issue as the slide deck, the 5-year delay for green card holders, and who is exempt.

Pursuing Health Care Equity

Garg, A., Boynton-Jarrett, R, Dworkin P., Avoiding the Unintended Consequences of Screening for Social Determinants of Health, JAMA 316(8) 813-814, 2016. Discussion of the need for resources and referral capability to follow up any screening for SDH.

Magnan, S. Social Determinants of Health 101 for Health Care, Five plus five, NAM Perspectives. Discussion paper, National Academy of Medicine, Washington, DC 2017. https://nam.edu/social-determinants-of-health-101-for-health-care-five-plus-five. Excellent and concise, clear graphics, discusses the next steps for health care organizations on a national level to address SDH as relates to health.

Woolf, S, Commentary: Progress in Achieving Health Equity Requires Attention to Root Causes, Health Affairs 36:6, pages 984-991 (2017.) Addresses the need for infrastructure and resources to achieve health equity.

A short video discussing screening for the history of violence as SDH

Military/Veterans
Access to reproductive health care: experiences of military women. SWAN 2018 report https://www.servicewomen.org/reports/ Service Women’s Action Network report on inequity and limited access to reproductive care from contraception to termination to infertility.

Department of Veterans Affairs, Study of Barriers for Women Veterans to VA Health Care, April 2015, 225-page report, many graphs, and tables.

Toolkit
GEOGRAPHY
ACOG Committee Opinion #586, Health Disparities in Rural Women, February 2014.

Douthit, N. Kiv, S., Dwolatz, T, Biswas, S. Exposing some important barriers to health care access in the rural USA, Public Health 129(2015) 611-620. Literature review of papers published before and after the passage of the Affordable Care Act (2010) examining barriers to care in the rural USA.

RACIAL AND ETHNIC

Jones, C., Jones, C., Perry G, Barclay, G, Jones, C. Addressing the Social Determinants of Children’s Health: A Cliff Analogy, J Health Care for the Poor and Underserved, Vol. 20 (4) Supplement p1-12, 2009. The article is a companion for the slide set discussing children who are “falling off the cliff” of good health. Addressing SDH involves deliberate moving of the population away from the cliff.

Hardeman, R., Medina, E., Kozhimannil, K., Structural Racism and Supporting Black Lives—the Role of Health Professionals. NEJM 375(22)2113-2115. Opinion piece discussing the need to “center at the margins”, for health care professionals to shift viewpoint away from majority group perspective to that of the marginalized group.

SEXUAL ORIENTATION
ACOG Committee Opinion #685, Care for Transgender Adolescents, January 2017.

ACOG Committee Opinion #525, Health Care for Lesbians and Bisexual women, May 2012.
