CATALYZE YOUR INNER CHANGE
AGENT (Breakfast and Lunch provided)

JUNE 3 | 9 AM-1 PM

PanPacific Vancouver, Oceanview
Suites 1&2

This workshop will focus on sharing strategies and tools to create enabling environments for women healthcare providers and leaders.

In partnership with:

The workshop will be followed by a dynamic panel of women from around the world who will share candid experiences from their respective leadership journeys - - addressing individual and institutional hurdles.

Finally, we invite you to have an informal networking lunch.

The invitation is extended to you and one guest. Please bring someone with whom you would like to share this experience.
