Candidate Policy Information:

1. Do you support increased federal investment in the ob-gyn workforce, including through graduate medical education and the National Health Service Corps?

Yes No

2. Do you support ob-gyns being designated as primary care providers for women?

Yes No

3. Would you vote for comprehensive medical liability reform, including a cap on non-economic damages?

Yes No

4. Would you vote for medical liability reform alternatives, including safe harbors, health courts, and protection for services furnished pursuant to EMTALA?

Yes No

5. Would you support protecting federal funding for women's health research and preventive health care for women?

Yes No

6. Would you support protecting federal funding for family planning services, including emergency contraception?

Yes No

7. Do you support requiring all health insurance plans to cover, without cost sharing, women's preventive services such as prenatal care and contraception, including over the counter oral contraceptives?

Yes No

8. Would you oppose any effort to cut ultrasound reimbursements or make it harder for ob-gyns to conduct ultrasound exams in their offices?

Yes No

9. Would you support increased federal funding for programs designed to improve maternal and infant health outcomes, such as state maternal mortality review committees and maternal quality collaboratives?

Yes No

10. Would you support Medicaid block grants, global spending caps, or changes to federal matching payments that would result in physician reimbursement cuts or limit a patient's access to needed health care?

Yes No

12. Would you support family preservation for pregnant women and mothers with substance use disorders and facilitating access to evidence-based treatment for women and babies born with neonatal abstinence syndrome?

Yes No

13. Do you support physicians' ability to deliver patient-centered, evidence-based care to their patients, free of governmental intrusion?

Yes No

If any of your responses require additional explanation, please provide:

Please attach the following:

- Your biography, including previous offices held and your employment
- Amount raised to date
- Most recent polling data
- Key endorsements from national, state, and local organizations, media, etc.

- Issues/themes you plan to emphasize in election
- Position papers
- Significant prior legislative accomplishments

Thank you for completing Ob-GynPAC's 2015-2016 Candidate Questionnaire. Please contact Mary Schilling, Political Advocacy Director, if you have any questions, and return questionnaire and supporting materials to:
