Candidate Policy Questions and Answers

Please find, attached, ACOG's 2019 Legislative Priorities.

1. Do you support requiring all health insurance plans to cover, without cost sharing, women's preventive health care services, including contraception? Yes No
2. Do you support Medicaid expansion to cover individuals up to 138% of the federal poverty level and coverage of women 12 months postpartum? Yes No
3. *In two sentences or less*, what's the best way to ensure meaningful coverage of women with pre-existing conditions?
4. *In two sentences or less*, how do you define political interference in the exam room?
5. Should federal funds be withheld from family planning clinics that also provide abortion services with non-government funds?
 Yes No

6. *In two sentences or less*, how can Congress help reduce and eliminate preventable maternal deaths?

7. Do you support federal funding for research on gun violence prevention? Yes No

8. *In two sentences or less*, what types of medical liability reform would you support?

9. If any of your responses require additional explanation, please provide:

Please attach the following:

- Your biography, including previous offices held and your employment
- Funds raised to date
- Most recent polling data
- Key endorsements from national, state, and local organizations, media, etc.
- Issues/themes you plan to emphasize during your campaign
- Relevant position papers
- Significant prior legislative accomplishments

Thank you for completing Ob-GynPAC's 2019-2020 Federal Candidate Questionnaire. Please contact Sean Garrity, Ob-GynPAC Political Advocacy Director, if you have any questions, and return questionnaire and supporting materials to:
