

The Pat Miller Junior Fellow Initiative Toolkit (JFIT) Award

As Junior Fellow leaders, we are motivated, energized, and passionate about making a difference!

A Junior Fellow Initiative is any project or program that a Junior Fellow developed and led in order to make a difference for patients or their healthcare providers.

A JFIT Toolkit is any project or initiative that can be easily reproduced and implemented by a Junior Fellow at another program or institution.

This year, we have two categories. One winner will be selected from each category to receive a \$500 prize.

Patient Centered Toolkit: Focus on clinical care, patient advocacy, or patient education.

Physician Centered Toolkit: Focus on physician wellness, provider training, or provider education.

ONLINE SUBMISSIONS ONLY

Click [here](#) to complete an application. Submit your JFIT project to jfservices@acog.org.

DEADLINE: [November 30, 2019](#).
