Contraceptive Technology Conferences

- For information on upcoming training sessions, visit [http://www.contraceptivetechnology.org/conferences/upcoming-ct-conferences/](http://www.contraceptivetechnology.org/conferences/upcoming-ct-conferences/)
Family Planning National Clinical Training Center

- For a list of training opportunities, visit http://www.ctcfp.org/larc
- For more information, contact Kimberly Carlson at 1-866-91-CTCFP (1-866-912-8237) or carlsonkim@umkc.edu

Family Planning/Community Health Centers

- **University of California, San Francisco (UCSF) Bixby Center for Global Reproductive Health**
  The **Beyond the Pill** program partners with health care providers, researchers, and educators to improve women’s access to effective contraception and reproductive health care. This training program is designed to increase provider knowledge and skills for IUDs and implants, and improve women’s access to these methods of birth control.
    - To view an online training, visit http://beyondthepill.ucsf.edu/online-training
    - To request an on-site training, contact Jennifer Grand at 1-415-502-0331 or Jennifer.Grand@ucsf.edu
    - For more information, visit http://beyondthepill.ucsf.edu

- **Upstream USA**
  **Upstream USA** provides on site, comprehensive consulting and technical training to health centers so that they can provide the full range of contraceptive methods, same day, including IUDs and implants. This training includes CME/CE accredited content for clinicians such as IUD and Nexplanon placement skills. In addition, it offers counseling tips for health educators, counselors, and medical assistants as well as in depth revenue cycle management assistance and/or coding review for billing and financial staff.
    - To request a training, email Peter Belden at peter@upstream.org
    - For more information, visit http://www.upstream.org/contact-information/
