E. Other Professional Activities

Since 1986, I have volunteered with the ASCCP. I have participated with a number of committees. I co-directed their Advanced Colposcopy Course for 10 years. I gave 8 years of service on their Executive Board.

*In 2001 I identified a pharmacist who diluted chemotherapy to 100's of patients in our community. I worked with the FBI, FDA, and federal prosecutors to bring him to justice.
