CDR Monica Lutgendorf, MC USN

ACTION ITEMS:

1. Speed mentoring – Inaugural event! Held at Annual District Meeting in HI – very popular – with over 16 mentors and 40 mentees!
   Will plan to make a recurring event

DISCUSSION ITEMS:

1. Mentoring opportunities available through Mentor City
   https://mentorcit.com/en/sign_in

2. Focused projects on improving resources for young physicians – many involved in active clinical practice, sometimes in remote locations.
   a. Consider providing standardized checklists for obstetric emergencies

Respectfully submitted,
