A Whole New World:
Looking Ahead to the Future of Women’s Health
INVITATION

Greetings!

On behalf of the American Congress of Obstetricians and Gynecologists (ACOG) and Districts V, VIII and IX, we invite you to the 2017 District V, VIII & IX Annual District Meeting at the Disneyland® Hotel. Join us as we explore best practices, while having a fun-filled time experiencing local attractions. This family-friendly venue is conveniently located among the world famous theme parks Disneyland®, Disney California Adventure®, and Knott’s Berry Farm. In addition, plenty of lively dining, shopping and entertainment options can be found at the Downtown Disney® District and Anaheim Packing District.

The scientific program is divided into 3 days; Thursday, September 7 will focus on maternal mental health and physician wellness; Friday, September 8 will be dedicated to gynecology; and Saturday, September 9 will center on best practices in labor management. Each day will feature a half-day of education to allow ample time for exploring all the activities Disneyland® has to offer.

Social events and networking opportunities throughout the meeting will include a Welcome Reception on Thursday evening with plenty of appetizers and cocktails to hold you over before your dinner reservations, a Mentoring Mix and Mingle combined with the Poster Session Friday afternoon, and an InSpeculum Art Night fundraiser hosted by the Junior Fellows on Friday evening. Junior Fellow Mock Orals followed by a special program just for Medical Students will also take place on Thursday afternoon.

Before you go, consider extending your stay! Because staying up-to-date and practicing optimal evidence based medicine while achieving a work-life balance has become more important than ever. Whether before or after your meetings and events, Disneyland® Resort has so much to explore and experience. From exquisite dining, relaxing at the spa or exploring the Theme Parks, take the chance to add a few extra days of fun. Join your fellow colleagues in taking a step back to recharge while gaining valuable knowledge.
