2018 Annual Meeting
Kansas City, MO

THE HEART AND ART
OF HEALTH CARE

Sheraton Kansas City Hotel at
Crown Center

September 21-23, 2018
Dear Colleagues and Guests:

On behalf of the Districts V & VII Planning Committee of the American College of Obstetricians and Gynecologists (ACOG), we welcome you to our Annual Meeting in the City of Fountains – Kansas City! We have partnered with the Kansas City OB-Gyn Society as well as Children’s Mercy Hospital Kansas City, allowing attendees expanded networking opportunities.

In keeping with Kansas City’s cultural vibe, this year’s theme is “The Heart and Art of Health Care.” The scientific committee has designed an excellent educational program addressing the current issues and trends in the different fields of our practice.

Our program kicks off on Friday morning with a lecture on Maternal Mortality, followed by sessions on Abnormal Uterine Bleeding, Fibroids, Viral Hepatitis, Fetal Surgery, Postpartum Care and Environmental Obstetrics. We are also showcasing two debates, one on routine induction of labor (IOL) at 39 weeks and the other one on cosmetic gynecology. The day ends with our welcome reception and poster presentations in our exhibit hall.

On Saturday, our scientific program continues with lectures on Hereditary Cancers, Physician Burnout, Puberty Disorders, Contraception and Physical Therapy. The afternoon will feature the Resident Research presentations and the Medical Student lecture and hands-on skills lab. We invite you to participate in the Mentorship Mingle and celebrate with us at the National World War I Memorial for the annual Film Festival.

Our Sunday program features a 3-hour simulations course for Junior Fellow and lectures from different specialists in GYO, MFM and REI. After the morning break, we will focus on our Junior Fellows for the Stump the Professors and the Oral Presentations.

Experience Kansas City’s unofficial welcome to the Fall season for a weekend of celebrating art and each other at the annual Plaza Art Fair! We hope you take advantage of discovering everything the city has to offer from art museums to barbecue!

Sincerely,

Vera Hicks, MD  
District VII Chair

Jeffrey Rothenberg, MD, MS

Experience Kansas City’s unofficial welcome to the Fall season for a weekend of celebrating art and each other at the annual Plaza Art Fair!

Started during the Depression in 1932, the Plaza Art Fair was started as a promotion to draw shoppers to the area and lift their spirits. Held on an empty lot, 90 artists displayed their paintings by leaning them against trees and benches. Paintings were priced from $1 to ten dollars. All the artists agreed it was a successful event and that is should continue.

Over the years, the Plaza Art Fair has grown encompassing nine city-blocks and welcoming a crowd of over 250,000, the fair has certainly evolved from the early years when it was held at small, various locations throughout the Plaza. In the 1940s it was located in what is now Chandler Courtyard by The Cheesecake Factory. Initially the artists built their own screens with chicken wire and hoped they could withstand the weather.

After celebrating it’s 85th year in 2016 with over 240 artists from across the country, the Plaza Art Fair has impressively become a top-ranked, national art event.

The Plaza’s popularity and reputation has been recognized around the country. It has grown to occupy 15 city-blocks, with more than 150 shops and dozens of fine restaurants, makes the Country Club Plaza Kansas City’s premier retail, dining and entertainment destination.

WHEN
Friday, September 21, 2018: 7:00 AM – 6:00 PM
Saturday, September 22, 2018: 7:00 AM – 6:00 PM
Sunday, September 23, 2018: 7:00 AM – 1:00 PM

WHAT

Build It Zone: Young builders can construct to their hearts content in this area using Connectors, Lincoln Logs, Lego’s, building blocks and Duplos. From skyscrapers to farms and everything in between, this is an area where we are sure to see future architects and contractors come alive!

Make It Zone: There are no limits to creativity in the Make It Zone. Young artists can show off their talent and let their imagination soar using foam shapes, pom-poms, glitter, glue, paint, sticks, beads, tissue and pipe cleaners. There is sure to be plenty in this area to stimulate a young Picasso!

Book It Zone: We all need a break at times, so escape all of the activity and read a book, make a puzzle, watch a movie or take a nap.

Boogie It Zone: Let the true star in you shine by singing and dancing along to the karaoke machine. Or, dress up in the fun costumes and pretend to be a fireman, policeman, or nurse and then escape to imaginary land as Snow White or Bob the Builder!

Get It Going Zone: In this area, we’ll get our hearts pumping by jumping rope, stretching, playing with a parachute, getting lost in a maze of tunnels, playing in the ball pit and making a pop-up tent!

Play It Zone: From Play Station and the Wii to board games, hot wheels, Barbie and hand held electronics, this is a gamer’s paradise. Explore new games, learn new tricks and strategies and challenge others.

**MEDICAL STUDENT HANDS-ON SKILLS LAB** 2:15 PM – 3:15 PM  Van Horn B

Rotate through a series of stations to gain hands-on experience with hysteroscopic simulator, suturing, operative vaginal delivery and other procedures. Attendees will be introduced to the latest technology in obstetrics and gynecology.

**MENTORSHIP MINGLE** 3:30 PM – 5:30 PM  The Terrace

This event with the ACOG Leaders is designed to connect experienced obstetricians and gynecologists with younger physicians (including those new to practice, Junior Fellows, and medical students) through an informal small group setting to discuss a variety of topics. Learn from your mentors, their past career and life experiences, and foster a relationship that can help you advance as a professional.

**Sunday, September 23**

**JUNIOR FELLOW SIMULATIONS COURSE** 7:00 AM – 10:00 AM  Van Horn AB

Review skills and learn new techniques in vaginal hysterectomy, suturing and slings. This 3-hour program will offer a mix of lecture and hands-on practice to update attendees with the latest information.

**STUMP THE PROFESSORS (STP) ORAL PRESENTATIONS** 10:15 AM – 12:15 PM  Atlanta

Support your Junior Fellows as they challenge a panel of professors to guess the cases they present. Cheer on the Richardson Prize Paper presenter from your District as they deliver their oral presentations.

CONTINUING MEDICAL EDUCATION

ACCME ACCREDITATION
The American College of Obstetricians and Gynecologists is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA PRA CATEGORY 1 CREDIT(S)™
The American College of Obstetricians and Gynecologists designates this live activity for a maximum of 13.5 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

COLLEGE COGNATE CREDIT(S)
The American College of Obstetricians and Gynecologists designates this live activity for a maximum of 13.5 Category 1 College Cognate Credits. The College has a reciprocity agreement with the AMA that allows AMA PRA Category 1 Credits™ to be equivalent to College Cognate Credits.

LEARNING OBJECTIVES
At the end of this meeting, participants should be able to:

1. Understand pathophysiology and utilize an algorithm for the evaluation and management of abnormal uterine bleeding. Know the role of uterine leiomyomata in patient presentation.

2. Review the importance of sexual health and factors contributing to it

3. Know the basics of viral hepatitis and its impact on our patient population

4. Understand principles behind post-partum care for the medically complicated patient

5. Recognize environmental impact on obstetric outcomes

6. Be able to evaluate and articulate the arguments for and against routine induction of labor at 39 weeks and the gynecologist's role in cosmetic procedures

7. Recognize risk factors for hereditary cancer syndromes and know appropriate screening pathways

8. Understand common disorders of puberty, their evaluation and management

9. Know current principles in contraceptive management and how to apply to a patient population

10. Review the role of physical therapy in women's health

11. Know appropriate testing to complete and interventions to perform before referral to a women's health sub-specialist
Course evaluations are a key component in determining the effectiveness of the College's Continuing Education courses. As an attendee, you will:

- Complete the evaluation on the Districts V & VII Meeting app.
- Print your certificate of attendance online.

Evaluations will be available at the start of each session and will remain available on the app for 60 days after the ADM.

**Downloading the App:**

1.) The ADM event app is called Eventsential. The app is available for the following platforms and operating systems:
   - iOS devices running OS 9+ including iPad, iPhone, and iPod touch.
   - Android devices running Android 4.3+ that access the Google Play Store or Amazon Appstore
   - Any phone, tablet, laptop, or desktop computer can access the app by visiting [https://engagefully.org](https://engagefully.org) using one of the following web browsers:
     - iOS Safari (iOS 6.1+)
     - Android default browser (2.2+) or Chrome
     - Windows Phone/Tablet Browser (IE10+)
     - Desktop browsers: Firefox, Chrome, Safari, IE (most current versions recommended)

2.) Once downloaded, please search American College of Obstetricians and Gynecologists or ACOG under Organization.

3.) Once you see ACOG, tap on it and you will see the ADM app. You will need to create an account in order to access the contents.

4.) Tap 'log in' once things have loaded. You have successfully downloaded the app.

---

**Setting Up Your Account:**

1.) Tap ‘Get Started’ to begin creating your account.

2.) The ADM app is restricted by email, be sure to sign up with the email address you used when you registered for the meeting.

3.) From your phone or other device, check your email that you used to sign up to look for the Email Verification link and make sure you see a confirmation page that says it has been verified.

4.) Now return to the app and select the restricted event.

---

**Performing Evaluations:**

The session evaluation will be available at the start of each session.

1.) You can find a sessions evaluation under the “Session” in the “Resources” tab.

2.) Once you find the “Resources” tab under your session, click “Evaluate this session” to perform the evaluation.

3.) Your entries are automatically saved and you will have an option to review all of your entries before submitting your final evaluation response.

INFORMATION

SOLOSEC (secnidazole) 2g oral granules is a 5-nitroimidazole antimicrobial agent indicated for the treatment of bacterial vaginosis in adult women.

IMPORTANT SAFETY INFORMATION

• SOLOSEC is contraindicated in patients with a history of hypersensitivity to secnidazole, other ingredients of the formulation, or other nitroimidazole derivatives.
• Vulvo-vaginal candidiasis may develop with SOLOSEC and require treatment with an antifungal agent.
• Potential risk of carcinogenicity in patients taking single-dose of SOLOSEC to treat bacterial vaginosis is unclear. Chronic use should be avoided.
• SOLOSEC may pass into breast milk. Patients should discontinue breastfeeding for 96 hours after administration of SOLOSEC.
• SOLOSEC is a single-dose therapy for oral use. The entire contents of SOLOSEC packet should be sprinkled onto applesauce, yogurt or pudding and consumed once within 30 minutes without chewing or crunching the granules. SOLOSEC is not intended to be dissolved in any liquid.
• In clinical studies, the most common adverse events occurring in (≥2%) of patients receiving SOLOSEC 2g oral granules were vulvovaginal candidiasis (9.6%), headache (3.6%), nausea (3.6%), dysgeusia (3.4%), vomiting (2.5%), diarrhea (2.5%), abdominal pain (2.0%), and vulvovaginal pruritus (2.0%).

To report SUSPECTED ADVERSE REACTIONS, contact Lupin Pharmaceuticals, Inc. at 1-844-SOLOSEC (1-844-765-6732) or FDA at 1-800-FDA-1088 or www.fda.gov/medwatch. Please visit https://www.solosechcp.com/ for full Prescribing Information.

EXHIBITORS

(As of September 5, 2018. Visit the meeting mobile app for the most current listings!)

Districts V & VII would like to express their special thanks to all exhibitors and supporters of the 2018 Annual Meeting. We regret if there are any supporters that have been omitted from this list due to printing deadlines, but that does not lessen our appreciation for their support. The generous support provided by exhibitors is significant to the success of our meeting and their information and expertise is important to our members’ awareness of new technology and information. Everyone is encouraged to visit as many exhibit booths as possible during the designated breaks to show our appreciation and to gain important knowledge from our partners.
