

# COMMITTEE OPINION

## LIST OF TITLES — NOVEMBER 2019

Committee Opinions are intended to provide timely information on controversial issues, ethical concerns, and emerging approaches to clinical management. They represent the considered views of the sponsoring committee based on interpretation of published data in peer-reviewed journals. Committee Opinions are reviewed periodically for continued relevance or needed update. Also listed are Technology Assessments, which provide an overview of technology in obstetrics and gynecology, Patient Safety Checklists, and Obstetric Care Consensus documents.

*No titles have been withdrawn from circulation.*
